

PTA minuets
Thursday 17th January 2019

Present:
Chair Hollie Campbell
Karen
Elske
Mel
Welcome back

I have held this meeting to go over the events we have coming up and I would really appreciate if all members of the PTA team could make a day free so we can all meet up. I understand people have work and other commitments but It seems like the same three people turning up and we're going over the same thing and we cant plan anything as we are a team and I appreciate everyone's opinion and input - that's how the events turn out great in the end.

The last event we did before Xmas was the bazaar and we raised £444 which is currently in the office still. I have spoken to Mrs. Maguire regarding the money as I understand Layla is really busy with her college and work and is unable to go to the bank. Mrs. Maguire said what's in the bank at the moment is fine and the rest of the money, as long as we logged and have receipts it can be kept within the school grounds under watch and when events arrive we can take out and put back in. Unfortunately as chair I can't do both jobs as I have Matilda and studying so I need help ladies otherwise the children will not get school discos and gifts throughout the school year.

I will be having a meeting with Mrs. Maguire to go over a few things for this year and there will be a meeting held to discuss or it will be put on the minuets.

Thank you for your time.
