

Dear parents, family members and friends of St Joseph's,

*Today, we celebrate the feast of the most sacred heart of Jesus. Jesus knows and loves each one of us:
he gave himself up for each one of us.*

*We pray that we can be as loving to each other. Help us to share all our gifts with everyone. Thank you
for all we have received. Amen*

*This week has seen a big change to our weather. Unfortunately, the cricket tournament had to be
postponed due to this weather. It will now be taking place on Monday. We wish good luck to all our
children taking part.*

*Today, we had our non-uniform day. Thank you so much for the generous donations of bottles for the
school fete. We look forward to seeing you then.*

*Tomorrow, Saturday, our girls will be taking part in a football tournament. We wish them well and look
forward to hearing about how well they played.*

Next week continues to be very busy. On Monday the cricket teams will hopefully get to play.

*On Tuesday, we have a number of children taking part in the District Sports competition. In addition,
Class 1 will be welcoming Mrs Dunbar, from our church, to answer questions.*

On Thursday, Year 5 children will be taking part in road safety sessions.

*On Friday, the fun continues with the final non-uniform day. We will be collecting sweets and toiletries
for the tombola. At 2pm, we will be celebrating Father's Day with games and ice cream. All are
welcome to attend. This is a free event.*

A big thank you to all our Staff and parents who support our activities throughout the year.

Thank you for your continued support and involvement in our school community.

Attendance

Class	Last Week	This Week	Late Marks
1	93.18%	99.09%	3
2	95.18%	97.41%	6
3	96.47%	96.47%	10
4	92.73%	92.73%	1

Certificate Winners

St Joseph's Catholic Primary School

St Joseph's are occasionally asked to promote activities from local groups, such as the Swimming Pool, the Sports Hall, Church Groups etc....

Such activities are not quality assured by the school and parents should be aware of the need to reassure themselves at inspection reports etc.

Our school website can be found at:

<https://www.st-josephs-dovercourt.essex.sch.uk/>

Children's Vision Screening and Eye Health

Getting your child's free NHS eye test is important because early detection of vision problems means treatment can start sooner, leading to better outcomes and preventing long-term issues such as reduced or permanent loss of vision.

Commissioned by

Regular eye tests are essential as children often do not realise they have a problem, and unidentified vision issues can affect their learning, development, and everyday activities.

Children aged 4–5 years are offered a vision screening check at school by our trained team. If the screening suggests your child may have reduced vision, we will contact you, recommending a referral to a hospital specialist or local optician for an NHS eye test. If you have already been contacted but have not yet attended, please arrange this as soon as possible.

Early assessment and treatment can make a big difference to your child's vision and development. Even if your child did not need a referral, it is important to remember that vision can change as children grow.

Children's eyes are still developing until around 7–8 years of age, and problems are not always obvious. Eye tests are free for all children under 16, and for those under 19 in full-time education. Glasses are also free or subsidised if needed.
